we never touted the use of LSD nor did we provide it for anyone. we

were never pawns for the CIA. Kesey said our mission is nothing less than saving the world. He knew there are forces at work wanting us to argue and fight with one another. Keeps people from working on something together and that allows the powers to do whatever they want. Gotta keep a step ahead, keep your mind ahead, work for the good, that's understood, we're not running for election or seeking protecton. Puncture the pompous hot air balloons. Deflect the opposing forces with humor, off the wall antics, leave them confused, disappear into invisibility. Who was that masked man, Martha?
